Reviewer's report

Title: Understanding of Research: a Sri Lankan Perspective

Version: 3 Date: 8 February 2010

Reviewer: Michael Parker

Reviewer's report:

The authors have responded adequately to the comments and suggestions I made on the first draft. I think that the paper is now publishable. There are a small number of typos but these can easily be dealt with.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
