Title: Ethical Issues related to First Time Patient Encounters - reflected from the perspective of physiotherapists in private practice

Version: 1 Date: 14 April 2011

Reviewer: Konstantina Chanou

Reviewer's report:

Dear authors,

I have read a quite interesting scientific piece of work regarding ethical issues in physiotherapy private practice. I identified, however, a few points that need further discussion with regards to:

1. the title
2. the grammar throughout the text
3. the methodology and
4. the quotes.
Please see the attached report for more detailed information.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
