Reviewer's report

**Title:** The decision-making process for the fate of frozen embryos by Japanese infertile women: a qualitative study

**Version:** 1 **Date:** 10 July 2011

**Reviewer:** Masae Kato

**Reviewer's report:**

Minor Essential Revisions. For this authors are trusted. The paper needs some clarification in the purpose of data analysis, and its originality. But I believe these are done without radically altering the text. The paper already has a good basis.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.

**Declaration of competing interests:**

No. I declare that I have no competing interests with the publication of this paper.
