**Reviewer’s report:**

Dear Sir/Madam

Thank you for inviting me as a reviewer.

The authors have made significant changes to the original manuscript; all my concerns from the initial review have been adequately responded to and included in the revised manuscript.

The paper now reads relatively well and the content is of good quality.

I however still have issues concerning the number of spelling mistakes in this manuscript. If those are addressed, the paper can be accepted for publication.

Thank you.
