Reviewer's report

Title: Emerging issues in paediatric health research consent forms in Canada: working towards best practices

Version: 4 Date: 18 October 2012

Reviewer: Martine de Vries

Reviewer's report:

The authors extensively revised their manuscript, and answered all my questions.
It now indeed reads as a whole, with a good research question and a very vaulable discussion.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
