Reviewer's report

Title: What ICU nurses in different Austrian hospitals know and think about the Austrian organ donation law

Version: 2 Date: 22 May 2014

Reviewer: gernot kaiser

Reviewer's report:

Dear Authors,

thank you for submission of this highly interesting manuscript.

I have some minor comments:

Please give number of respondents from both groups in abstract.

Please add more details about the questions in the main text although this is only a letter to the editor (table?).

Please give other citations and respect language for them as required by journal.

Sincerely Reviewer

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
