Reviewer's report

Title: Doctors, doping and anti-doping: dark sides of medicine?

Version: 1 Date: 6 October 2006

Reviewer: norman fost

Reviewer's report:

General

----------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

----------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

----------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
