Reviewer’s report

Title: ExaCT: automatic extraction of clinical trial characteristics from journal publications

Version: 2 Date: 5 March 2010

Reviewer: Ann Mckibbon

Reviewer’s report:

I would like to see this again once it has been made more clear and for a broader audience as well as a clear statement of how this will help various players.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
