Reviewer’s report

Title: A simple clinical model for planning transfusion quantities in heart surgery

Version: 3 Date: 8 February 2011

Reviewer: Juan C Duchesne

Reviewer’s report:

Major-
Although a very well designed statistical analysis the data is extremely hard to read due to the abundancy of unnesesary descriptions and variables of no use. I cant read nor follow this manuscript. Please condense.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
