Reviewer's report

Title: A Systematic Review of Healthcare Applications for Smartphones

Version: 1  Date: 4 March 2012

Reviewer: Matthew F Bultitude

Reviewer's report:

Major Revisions
1) I feel a paragraph discussing the accuracy of information contained in Apps with any medico-legal consequences is important. This is especially true for the drug reference applications.
2) A section is required on limitations of this study.

Minor Revisions
1) Formatting of the references in the text needs adjustment e.g. [1-6]

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
