Reviewer's report

Title: Using Value of Information to guide evaluation of decision supports for differential diagnosis: Is it time for a new look?

Version: 1 Date: 13 June 2013

Reviewer: Annemaeri Hellebek

Reviewer's report:

I like this paper which addresses a difficult field - decision support for omissions and differential choices

1. Minor essential revision

You should add a figure with a flow chart routing the reader through the two cases.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
