Reviewer's report

Title: Use of email for patient communication in student health care: a cross-sectional study

Version: 3 Date: 17 December 2004

Reviewer: Cheryl A Moyer

Reviewer's report:

General
The authors have adequately responded to the points that I suggested in my initial review.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
