Reviewer's report

Title: A review of randomized controlled trials evaluating the effectiveness of handheld computers for data collection.

Version: 2 Date: 1 December 2005

Reviewer: Jochen R Moehr

Reviewer's report:

General

------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
