Reviewer's report

Title: Diagnostic omission errors in acute paediatric practice: impact of a reminder system on decision-making

Version: 2 Date: 6 October 2006

Reviewer: Isabelle Colombet

Reviewer's report:

It seems to me that the authors have adequately answered to the major and minor revisions I had suggested.

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
