Reviewer’s report

Title: Discussing life expectancy with surgical patients: Do patients want to know and how should this information be delivered?

Version: 2 Date: 9 May 2008

Reviewer: Aloysius Niroshan Siriwardena

Reviewer’s report:

The authors have responded satisfactorily to address the comments made on the previous draft of this paper. The paper is clearer now in respect of these comments.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
