Reviewer’s report

Title: Factors influencing the implementation of clinical guidelines for health care professionals: a meta-review

Version: 5 Date: 21 August 2008

Reviewer: Jako Burgers

Reviewer’s report:

The authors have integrated the comments well. I do not have any comment on the content yet. Some minor editorial suggestions have been sent to the Editor, as they may interfere with the format of the journal.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
