Reviewer’s report:

In the results section of the Abstract, line 5:

. . ."either the a Simple Interface" . . .

Here "the" should probably be taken out.

On the next page, 2nd paragraph, line 8:

"Having as its initial focus on outcomes analysis" should probably be changed to:

"Having outcomes analysis as its initial focus, . . .”

In the case study, second paragraph, there is a second bracket missing in or after (Her-2/neu_overexpression.
