Reviewer’s report

Title: Application of biomedical informatics to chronic pediatric diseases: A systematic review

Version: 2 Date: 24 March 2009

Reviewer: Edmund Chaney

Reviewer's report:

Discretionary Revisions
Please consider integrating review responses that deal with limitations of the articles being reviewed into the Discussion, perhaps as additional points to be considered in further research.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
I declare that I have no competing interests.
