Reviewer's report

Title: Recognising the differences in the Nurse Consultant Role across context: A Study Protocol

Version: 4 Date: 15 August 2014

Reviewer: Helen Franks

Reviewer's report:

See attachment

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
