Reviewer's report

Title: A qualitative study of nursing student experiences of clinical practice

Version: 4 Date: 3 October 2005

Reviewer: Ella McLafferty

Reviewer's report:

General

-------------------------------------------------------------------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached) None

-------------------------------------------------------------------------------------------------------------------------
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct) spelling and grammatical errors. The paragraph relating to ethical issues ends abruptly

-------------------------------------------------------------------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No
