Title: Experienced Stressors and Coping strategies among Iranian Nursing Students

Version: 3 Date: 24 July 2007

Reviewer: Fiona Timmins

Reviewer's report:

General

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

While greatly improved, paragraph structure and generalised flow of the paper need some final attention. Checking references against the final list is also required as well as typographical errors. (eg. Nicolls should read Nicholl)

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
