Reviewer's report

Title: Older cancer patients' information and support needs surrounding treatment: An evaluation through the eyes of patients, relatives and professionals

Version: 2 Date: 19 December 2008

Reviewer: A M Pietila

Reviewer's report:

I have evaluated this manuscript and it is more solis/integrated now. However, I could not find the titles of the figures 1 and 2.

My decision is: accepted without revision.
