Reviewer’s report

Title: Patient safety in primary care: a questionnaire study among general practitioners in The Netherlands

Version: 2 Date: 5 October 2009

Reviewer: Susan Wearne

Reviewer’s report:

Minor changes to the sentence structure e.g. page 2 last line should read 'selected next' not 'next selected'

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
