Reviewer’s report

Title: Socioeconomic inequalities in the use of outpatient services in Brazil according to health care need: Evidence from the World Health Survey

Version: 3 Date: 13 June 2010

Reviewer: Anastas Philalithis

Reviewer’s report:

The authors have taken all my comments and suggestions into account. In conjunction with their response to the comments of the other two reviewers, the paper is now considerably improved.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
