Title: What is known about the patient’s experience of medical tourism? A scoping review

Version: 1 Date: 24 May 2010

Reviewer: Neil Lunt

Reviewer's report:

Major Compulsory Revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I publish in the field of medical tourism. I have recently completed and published a (more systematic) review of medical tourism: Maturitas (2010). I feel able to offer constructive criticism on their piece.
