Reviewer's report

**Title:** Home healthcare services in Taiwan: a nationwide study among older population

**Version:** 1 **Date:** 21 May 2010

**Reviewer:** Ping Yu

**Reviewer's report:**

This is an excellent paper that describes the aims, objectiveness, the approach, results and findings in clear, succinct language. As national dataset was used for date analysis, the results is validated strongly.

The authors presented the results in clear language. The sequence of the paper is logical.

Minor essential revisions: A further proof read and editing of the manuscript to eliminate the minor grammar mistakes.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.
