Title: Evaluation of Computerized Health Management Information System for Primary Health Care in rural India

Version: 5 Date: 6 September 2010

Reviewer: Adam Wright

Reviewer's report:

The authors have done a good job of responding to my feedback and that of the other reviewer. I am satisfied with the additions and the paper is improved.

I note one minor essential revision:

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
