Reviewer's report

Title: The effect of the COACH program (Continuity Of Appropriate pharmacotherapy, patient Counselling and information transfer in Healthcare) on readmission rates in a multicultural population of internal medicine patients

Version: 3 Date: 29 January 2010

Reviewer: Dan Berlowitz

Reviewer's report:

Please be careful with wording tense in relation to timing of study. For example, under Methods design it states the study..."will be performed". The next sentence states study "will be carried out from June 2009..."

Level of interest: An article of limited interest

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
