Reviewer's report

Title: Measuring client experiences in long-term care in The Netherlands: a pilot study with the Consumer Quality Index Long-term Care

Version: 2 Date: 10 March 2010

Reviewer: Antonio Lobo

Reviewer's report:

I feel the authors' response to Dr Forrest were quite satisfactory and thus publication of the paper should go ahead.

Every question raised by Dr Forrest was adequately covered and changes in the manuscript were also introduced when appropriate.
