Reviewer’s report

Title: Patients as healthcare consumers in the public and private sectors: A qualitative study of acupuncture in the UK

Version: 2 Date: 26 April 2011

Reviewer: Ayesha De Costa

Reviewer’s report:

The paper has been improved now, and this revised version is more focused and reads more clearly. Minor editorial issues which the editors may to consider would be the large number of tables. Some could be converted into text is necessary.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare I have no competing interests.
