Reviewer’s report

Title: Core indicators evaluation of effectiveness of HIV-AIDS preventive-control programmes carried out by Nongovernmental organizations. A mixed method study.

Version: 1 Date: 28 June 2011

Reviewer: M Isabel Pasarín

Reviewers report:

I believe that the manuscript has improved, the new version is clear and useful. The authors have made the suggested adjustments and therefore I think the new version can be considered acceptable for publication.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.

In respect with my evaluation of the quality of the English written, I have to declare that English is not my language, and therefore I have not sufficient knowledge to assess it.
