Reviewer's report

**Title:** Including elements of content and timing of care in the assessment of antenatal care trajectories, the conceptualisation of a new tool.

**Version:** 3  **Date:** 17 April 2011

**Reviewer:** Declan Devane

**Reviewer's report:**

Comments given in attached document

Some revisions are essential but I believe the authors can be trusted to make them. I do not have this as an option in the 'What next' categories below

**Level of interest:** An article of importance in its field

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests
