Reviewer's report

Title: The use of reproductive healthcare at commune health stations in a changing health system in Vietnam

Version: 14 Date: 20 June 2011

Reviewer: Mai Do

Reviewer's report:

I only have a minor essential comment:

Since the authors removed Figure 1, please renumber the figures in the text. In addition, the figures are poorly presented: none has a title and label

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
