Reviewer’s report

Title: For money or service? A cross-sectional survey of preference for financial versus non-financial rural practice characteristics among Ghanaian medical students.

Version: 3 Date: 15 September 2011

Reviewer: Patricia Odero

Reviewer’s report:

On reading the revised article, I find that the authors have included most of my comments, especially those on discussion of the multi-variate analysis. The article in my view is therefore clearer.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
