Reviewer's report

**Title:** Factors affecting the use of patient survey data for quality improvement in the Veterans Health Administration

**Version:** 3  **Date:** 9 August 2011

**Reviewer:** Sjenny Winters

Reviewer's report:

The authors have done quite a good job in revising and making the paper clearer. Thus it can now be considered for publication.

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**
