Title: The courage to change: Patient perceptions of 12-Step fellowships

Version: 2 Date: 1 November 2011

Reviewer: joachim kugler

Reviewer's report:
The revised paper has improved a lot. To my mind, it can be published. However, it is a small sample so the conclusions are very limited. (Discretory revisions)

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
