Reviewer’s report

**Title:** Acceptance of the WHO Surgical Safety Checklist among surgical personnel in hospitals in Guatemala City

**Version:** 3  **Date:** 29 May 2012

**Reviewer:** Andreas Böhmer

**Reviewer’s report:**

The authors revised the first version of their manuscript. The Text is fine now, except one aspect that is still missing:

There is no systematical information about presented data. The “method” section should contain a sentence like: “Data are presented as relative and absolute values with standard deviations.”

**Level of interest:** An article of limited interest

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**

I declare that I have no competing interests
