Reviewer's report

Title: A taxonomy of nursing care organization models in hospitals

Version: 3 Date: 16 August 2012

Reviewer: Walter Sermeus

Reviewer's report:

The authors did well in integrating the comments of the reviewers in the final manuscript, which is much clearer in the methods and better understandable on how variables were built.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
