Reviewer's report

Title: An organizational analysis of the implementation of telecare and telehealth: The Whole Systems Demonstrator

Version: 2 Date: 17 October 2012

Reviewer: Frances Mair

Reviewer's report:

The authors have responded very well to all my previous comments. I have nothing more to add at this time.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have undertaken research funded by DoH, SDO over the last decade examining barriers and facilitators of telecare and tele health implementation. I have been a co-investigator and co-author with Anne Rogers, one of the authors of this current paper.
