Reviewer's report

Title: Predictors of dropout in the German disease management program for type 2 diabetes

Version: 2 Date: 20 December 2011

Reviewer: Michael Green

Reviewer's report:

Major Compulsory Revisions: None

Minor Essential Revisions: None

Discretionary Revisions: No specific suggestions.

The authors have substantially revised their original submission and have addressed all of my prior concerns adequately. This paper on DMPs in Germany and factors influencing patient drop out will be a useful addition to the literature.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
