Reviewer’s report

**Title:** Evaluation of physicians’ professional performance: An iterative development and validation study of multisource feedback instruments

**Version:** 2  **Date:** 2 March 2012

**Reviewer:** Jocelyn Lockyer

**Reviewer’s report:**

I believe the authors have made the revisions requested by all three reviewers. I will be interested in receiving notification of the paper when it is published as I have graduate students who are drawing on the PAR databases for the medical specialties.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, and I have assessed the statistics in my report.

**Declaration of competing interests:**

I have no competing interests.
