Reviewer's report

Title: "What counts": Health workers’ preferences for public or church-run health facilities in Tanzania

Version: 1 Date: 30 November 2011

Reviewer: Amy Hagopian

Reviewer's report:

Major Compulsory Revisions

The author must respond to these before a decision on publication can be reached. For example, additional necessary experiments or controls, statistical mistakes, errors in interpretation.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
