Reviewer's report

Title: Economic impact of switching to fixed-dose combination therapy for Japanese hypertensive patients: a retrospective cost analysis

Version: 2 Date: 12 March 2013

Reviewer: Euna Han

Reviewer's report:

The authors did a good job in addressing my comments, and I recommend publication of this manuscript.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
