Reviewer’s report

**Title:** The caregiving perspective in heart failure: a population based study.

**Version:** 1  **Date:** 25 March 2013

**Reviewer:** Mitzi Saunders

**Reviewer’s report:**

Minor Essential Revisions
There are a few areas where the reference number is before the period and at times the reference number follows the period. There is at least one occasion where a period was needed instead of a comma. Only minor editorial issues were found with this manuscript.

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.
