Reviewer’s report

Title: Assessing the Safety Attitudes Questionnaire (SAQ), German language Version in Swiss University Hospitals - A Validation study

Version: 2 Date: 6 August 2012

Reviewer: Jason Etchegaray

Reviewer’s report:

I commend the authors for thoroughly addressing each of my comments in a satisfactory manner. One suggestion on the 5th point is for them to make explicit their argument about the SAQ vs. SOS in their manuscript.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:
