Reviewer's report

Title: Development and psychometric properties of a-scale for measuring internal participation from a patient and health care professional perspective

Version: 4 Date: 9 September 2013

Reviewer: Antje Hammer

Reviewer's report:

The authors have definitely improved their manuscript considering the comments given by the reviewers and the editor. I still find this paper innovative and important to those with closely related topics and have no further comments and suggestions for revisions.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
