Reviewer's report

Title: Health-service performance of TB treatment for indigenous and non-indigenous populations in Brazil: A cross-sectional study

Version: 3
Date: 19 January 2014

Reviewer: Jaime Robledo

Reviewer's report:

Major compulsory revisions:

none

Minor essential revisions:

none

The authors have made the respective changes in the manuscript that have been previously suggested.

In my opinion this manuscript is ready to be published.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I declare that I have no competing interest
