Reviewer's report

Title: Evaluation of the effects of comprehensive reform on primary healthcare institutions in Anhui Province

Version: 1 Date: 18 March 2014

Reviewer: George Liu

Reviewer's report:

My major concerns have been addressed by the authors.

There are a few minor issues:

Page 8 under the heading "Medicines management" – before the reforms or after the reforms?

Table 1: 95% CI should be presented in addition to average figures.
Table 2: average and 95% CI of workload should be presented.
Table 3: average and 95% CI

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
