Reviewer's report

Title: Strategies to facilitate implementation and sustainability of large system transformations: A case study of a national program for improving quality of care for elderly people

Version: 1 Date: 12 May 2014

Reviewer: Meg Wise

Reviewer's report:

1. Be-Life is complex. Consider providing a figure to describe the components of the Be-Life project.
2. Consider providing a legend for the acronyms used.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
