Reviewer's report

**Title:** Local psychiatric beds appear to decrease the use of involuntary admission: A case-registry study

**Version:** 2  **Date:** 23 January 2014

**Reviewer:** andrew molodynski

**Reviewer's report:**

I am very satisfied with the clear and significant changes made in response to comments and am now happy to recommend the article for publication.

Andrew molodynski

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.
